

St Mary's School Fee Structure 2019

It is essential for the running and improvement of school facilities and resources, as well as the sharing of responsibility between all families, that we receive payment of fees. Fees for 2019 have been increased by 2% since 2018. School fees are billed annually. Payment options include a 'one off' payment which is payable within 14 days of billing. Alternatively, payments can be scheduled over a 10-month period (February-November), monthly, fortnightly or weekly using the direct debit facility of the Catholic Development Fund. A written commitment will be required from families indicating their preferred payment option. Other payment options are available by making an appointment with the Principal. Likewise, if you are having difficulty meeting the full fee amounts please do not hesitate to contact the Principal for a confidential meeting to discuss options and alternatives.

Health Care Card (HCC) discounts are only applicable to tuition fees and IT Levy. All other charges are still required to be paid.

The Amenities Fee covers the portfolio for Kindy/Pre-Primary, Homework Diary for Year 1 - Year 6, Health Book, some of the costs associated with incursions, stationery, some transport, sporting events and off sets part of the costs occurred with excursions. Further costs for excursions may need to be charged. The Amenities Fee does not cover School Camp costs, Year Book, Writing Time Book, Prime Maths Books or Swimming Lessons.

Student Insurance is also provided by the school for each child attending St Mary's (contact the Office for more information).

The IT & Building levies allow for the purchasing of ICT hardware and ongoing maintenance/ building projects.
