

1. Rationale

The Catholic Education Commission of Western Australia (CECWA) has a responsibility to make a Catholic education available to all Catholic students whose parents seek a Catholic education for them, while embodying the Church's preferential option for the poor and disadvantaged (Mandate, p 50), insofar as this is possible.

St Mary's Primary School policy for the setting and collection of school fees sets to minimise potential barriers for parents such as fees and other costs (Mandate, p 7) and to keep costs as low as possible (Mandate p 38).

This policy is communicated to families via the school website and distributed to all families at the beginning of the school year and in the new enrolment package for families seeking enrolment for their child.

5.12 The School Board will seek approval of the Executive Director of Catholic Education in the event that the need to increase school fees exceeds that set in 5.11.

Fee Discounts

5.13 Families with limited capacity to pay school fees have an entitlement to claim a fees concession. Requests for fee concessions shall be treated with dignity, fairness, compassion and confidentiality.

5.14 The CECWA introduced the Health Care Card Discount Scheme in 2005 to provide an automatic fee concession for the holders of eligible means tested family concession cards. This discount will be implemented across all year levels, Kindergarten to Year Six.

The total discounted school fees for holders of eligible means tested family concession cards are set as follows:

Kindergarten to Year 6	\$300 per student
------------------------	-------------------

These school fees shall be annually reviewed by the CECWA, based on changes to the eligibility income thresholds, and shall be communicated to schools by the CECWA office during the budget process each year.

The family building levy will be charged at the corresponding percentage of the Health Care Card school fee.

Kindergarten to Year 6	30% of HCC fee	\$90 per family
------------------------	----------------	-----------------

St Mary's Primary School may, at times, add certain specific charges for holders of eligible means-tested family concession cards. These may be levied on a user- pays basis, e.g. charges associated with camps, homework diary, Kindy/Pre-Primary Portfolio, health book etc.

St Mary's Primary School will endeavour to keep these costs to a minimum, within the spirit and intent of this policy, and to assist those families who encounter difficulties in meeting these additional charges.

Discount for families

5.15 Families with siblings enrolled in Kindergarten to Year Six in the same Catholic school are entitled to a level of family discount that shall be determined by the School Board. The recommended CECWA family discounts are:

2 nd child enrolled	20% of that child's tuition fees
3 rd child enrolled	40% of that child's tuition fees
4 th child enrolled and beyond	100% of that child's tuition fees

5.16 Kindergarten fees will be charged as a proportion of the respective Year 1 fee. The specific proportion shall be equal to the FTE of the Kindergarten program.

5.17 All students and families are eligible for family discounts, including families who receive automatic tuition fee discounts as holders of eligible means tested family concession cards.

5.18 St Mary's Primary School Board will ensure that the usual family discounts are offered for Special Education students whether siblings attend the same Catholic school or a number of Catholic schools.

5.19 Consideration will be given to family fee discounts in situations where families have children enrolled in more than one Catholic school. Although the provision of such discounts is not mandatory, schools are strongly encouraged to recognise families supports of the System by providing additional discounts in these circumstances.

Fee collection

5.20 St Mary's Primary School Board has developed strategies for fee collection that are consistent with the principles of this policy.

- Fees and their payment are discussed in conjunction with this policy, with parents at the time of enrolment.
- Families are provided with multiple ways and frequencies to pay school fees e.g direct debit, or bank transfer
- Fees for the following year are communicated to the community in advance and are published via the school website and school newsletter
- A full statement of fees payable for the year is provided to families no later than week five of term one. Periodic statements are provided in the first week of terms two and three. Final reminder notices are provided in the first week of term four.

5.21 Parents who are able but unwilling to pay fees can be problematic. Every effort is made to help parents understand their obligations as a matter of justice to the whole community. The recovery of unpaid fees, particularly of this involves legal action, will be approached humanely and sensitively to protect the child as much as possible from the public embarrassment that could arise.

5.22 The steps take in relation to the collection of unpaid fees are as follows:

1. A written communication shall be sent to the parents and/or guardians, bringing promptly to their attention the outstanding balance.
2. Should there be no response within 14 days, an appropriate person shall approach the parents on a personal basis, in a sensitive, discreet, and confidential manner.
3. If the personal approach cannot be made, or no action results from it within another 14 days, a formal registered letter from the Principal will be used to remind the parents and/or guardians of their financial obligations. This letter will be an invitation to discuss the matter with the school and a specified timeframe for a response set.
4. Ought there to be no response or action within 14 days of the letter, the school Principal will send a formal registered letter with a final notice, seeking payment and outlining the possible outcomes, including legal action, which could occur if payment is not received within the specified timeframe.
5. If, despite this last letter, there is no response or action the School Board may approve to engage the services of a debt collection agency or a solicitor to recover the outstanding fees and any additional costs.
6. In the event that debt collection is not successful in contacting parents and/or guardians or in establishing a debt repayment plan, the school may consider initiating court proceedings. Before this is done, the school will inform in writing the Executive Director of Catholic Education.
7. Before any enforcement proceedings are taken, the school will obtain written approval from the Executive Director of Catholic Education.
8. The school will keep comprehensive documentation of each attempt to resolve the problems of outstanding fees.
