RATIONALE

The wearing of a school uniform should be a positive expression of a child's pride in themselves and the school. It promotes a sense of belonging to a group and being recognized as part of that school group. It also assists the learning environment by limiting distractions and provides a practical means of showing unity and equality within and beyond the school and into the wider community.

DEFINITIONS

All students attending St Mary's are expected to wear the correct school uniform. The purpose of a school uniform is to:

- ❖ Promote pride and loyalty in the school
 - ❖ Remove competition in dress
 - ❖ Develop neat grooming habits.
-

PRINCIPLES

1. Staff are made aware of the uniform requirements through the information file
 2. Parents are made aware of the requirements for the wearing of the school uniform during the enrolment interview with the Principal
 3. Students are continually encouraged to take pride in their attire and appearance
 4. Uniform items need to be labelled clearly with the child's/family name
-

PROCEDURES

Order forms are available from the school office. Payment needs to be made when order forms are lodged.

Should a student be out of uniform, a note should be sent to school. The situation should then be rectified as soon as possible. If a student consistently wears incorrect uniform a Uniform slip will be sent home to remind you of the correct uniform.

Students are expected to wear their uniform in a neat and tidy manner when outside the school grounds.

Sports uniform is to be worn on allocated Sport Days.
