SCHOOL PRAYER

*Today we come to ask you dear God
To watch over our school, St Mary's.
Help us to use our time well here,
so that we can come to know,
love and understand you
in our teachers and in each other.
We thank you dear God
for all your gifts to us:
the beauty of the earth around us,
the love of family and friends.
Help us never to forget that you are always
there ready to listen to our prayers.
Thank you God our Father.
Amen*

Background

St Mary's Catholic Primary School provides a Catholic education that focuses on the development of the total person in an environment where Christian ideals are witnessed, lived and valued.

Established in 1916 by the Sisters of Mercy, St Mary's was originally called St Philomena's Convent.

In 1958 it moved to its present site. After Vatican II, which was held from 1962-1965, the school was re-named St Mary's. Since this time, a comprehensive building program has ensured the facilities are of the highest standard.

Our school is a family focused community where each person is valued and respected in a safe and caring environment.

The staff are highly qualified, motivated and dedicated. They are committed to the pursuit of knowledge for themselves and for their students and respond to their responsibilities in a very professional manner.

Vision Statement

*St Mary's Catholic Primary School Donnybrook
is committed to the integration of faith, life and learning.*

Empowered by the Spirit, we work in partnership with the wider community as we endeavour to create a sense of family, where every person is respected and God-given gifts are valued. Our inspiration and strength to achieve this, comes from our mutual support and the sharing of our faith in Jesus Christ.

Mission Statement

We want our children to be:

Secure	Believers	Creative
Caring	Open	Well-balanced
	Generous	

Enrolment Procedure

Catholic schools exist to further the mission of the Catholic Church. In Western Australia, the Mandate of the Bishops requires the Catholic Education Commission of WA to make Catholic school education available to all Catholic children, insofar as possible. The procedures to ensure that this happens are as follows:

An enrolment form is collected from the school office, filled in and returned to school along with a copy of the child's birth certificate, immunization certificate and Baptismal certificate (if applicable). This information is kept confidential and is accompanied by a Collection Notice as required by the Privacy Act.

An interview is held with the Principal for all applicants. The invitation to interview does not guarantee an offer of placement. Matters of school policy, including the fee payment structure, are discussed at this time.

The following criteria, as recommended by the Catholic Education Commission, are used in determining the successful applicants:

1. Catholic students from the Parish
2. Catholic students from outside the Parish
3. Siblings of non-Catholic students.
4. Non-Catholic students from other Christian denominations.
5. Other non – Catholic students.

In exceptional circumstances the Principal may vary the above priorities to suit particular circumstances.

- Parents are notified by the Principal if their application for enrolment has been successful or unsuccessful.
- Once a student is enrolled at St Mary's they are integrated totally into the school community regardless of their religious affiliation.
- All parents need to be supportive of the school's Catholic ethos.
- Enrolment at St Mary's does not necessarily guarantee enrolment at Bunbury Catholic College or any other Catholic schools.

Our Pastoral Care policy aims at defining these activities and enhancing already established practices as well as exploring ways of understanding and dealing with evolving needs.

Positive re-enforcement is used by all teachers to encourage appropriate behaviour and respect for others.

Classroom rules are established in a collaborative manner.

Should there be continued occurrences of inappropriate behaviour then the procedures outlined in the school's Behaviour Management policy are followed.

Parents are informed of behavioural problems promptly and are expected to work with the school in rectifying the situation.

Curriculum

Our goal is to provide the opportunity for a quality education that acknowledges and caters for the needs of the individual children in their learning. To do this we use the Western Australian Curriculum documents to guide us in developing a learning environment that is stimulating, developmental, balanced and where children feel encouraged and supported.

Religious Education is the first Learning Area in Catholic schools and is taught along with the 8 Learning Areas of the Curriculum Framework. These are The Arts, English, Mathematics, Health and Physical Education, Science, Humanities and Social Sciences, Technology and Enterprise and LOTE (Auslan).

Religious Education

Within a school environment that integrates faith, life and culture; daily Religious Education sessions are conducted in all classes.

The Perth Archdiocese Religious Education Units form the basis of religious instruction and practices in the school. All students, irrespective of religious affiliation are expected to participate in all aspects of the Religious Education programme.

Sacramental Programmes

Central to the life of the Catholic School is the preparation and reception of the Sacraments. The Sacrament of Reconciliation is received in Year 3. First Eucharist (Holy Communion) is received in Year 4. The Sacrament of Confirmation is received in Year 6. All children and their families in these Year levels are expected to participate fully in the preparation and reception of these Sacraments. A component of the Sacramental Programmes is attendance at a Commitment Mass to be held earlier in the year.

Assessment & Reporting PP to Year Six

At the beginning of each year, from Year 1 to Year 6, a whole school formal assessment process takes place. This combines a mixture of whole class and individual assessments across the learning areas of Literacy and Numeracy. The information obtained from these assessments is evaluated at a whole school level and assists to inform our school planning and teaching for the year. Also, throughout the year, a wide variety of formative and summative assessments are carried out in individual classes which are used to inform teaching and learning on an on-going basis.

Formal reporting to parents occurs on an on-going basis throughout the year. This is a mixture of formal written reports and interviews. Parents are required to attend formal interviews in Term One and Three and receive written reports in Terms Two and Four.

Of course, as parents you are welcome to arrange additional interview times outside of these times if wish to discuss any issues or concerns you may have. Formal reporting times for Pre-Primary to Year Six are:

- Term One: 3 way interviews (teacher/parents/student)
- Term Two: Formal Written Reports in Week Ten
- Term Three: 3 way interviews (teacher/parents/student)
- Term Four: Formal Written Reports in Week Ten

Assessment and Reporting in Kindergarten

Kindergarten students are assessed individually through a combination of formative and summative assessment on an on-going basis throughout the year. There is also a mixture of interviews and one formal written report.

Formal reporting times for Kindergarten are:

- Parent Teacher Interviews twice a year
- Written Report in Term Four

Houses

Mercy Brigid

The name Mercy honours the Sisters of Mercy who founded the school and served in it for so many years. The Sisters of Mercy in Donnybrook needed to be resourceful and determined as they built a school from nothing.

St Brigid is one of the patron saints of Ireland and she is widely revered. She really wanted to serve the poor and gave them food and clothes. She showed great determination to follow God's plan for her life.

McAuley Frayne

Catherine McAuley is the visionary woman who founded the Sisters of Mercy. Her vision was to educate the poor and marginalized, so they could develop skills that would help them to live out their lives in an independent and dignified manner.

Ursula Frayne travelled from Ireland in the very early days of the Swan River Settlement to set up a school. She showed courage and determination as she worked tirelessly to educate the children in trying conditions and with few resources.

Children will be allocated to a house once they have commenced school.

Library

Every student has access to the school library and all, including Kindergarten, may take books home. Any books taken home must be placed inside a library bag and need to be looked after.

The cost of replacing damaged or lost books will be met by parents. Please note your child's library day and ensure they have their library book with them.

Assemblies and School Mass

Each class is responsible for presenting an assembly once per year, highlighting the recent work being done by that class. Whole school open mornings are also held throughout the year.

Each class is responsible for organising a school Mass or Prayer Service on a roster basis. Generally, Assemblies and Masses are usually held on Fridays at 8.50am. These will be advertised in the school newsletter and term calendar.

Parental Involvement

Parental involvement enhances learning programmes and gives parents the opportunity to be a part of their child's education at school. There are a wide range of areas that parents can assist with in the school including committees, classroom volunteer work, excursions, sports and we encourage you to become involved.

School Advisory Council

The School Advisory Council assists the Principal in a number of ways with the two main areas being financial management and future planning. This is done in accordance with Catholic Education Commission of W.A. policies and guidelines.

Meetings are held once a month unless this falls during holiday time.

At the Annual General Meeting all parents, except those employed by the school, are eligible for election. The Chairperson's and Treasurer's reports are also tabled at this meeting. At this meeting, the provisional budget for the following year will also be presented.

Parents and Friends Association

Parents are invited to be active participants in the Parents and Friends Association. The P&F is an important part of the school community. The P&F works cooperatively with the Principal and the School Board to provide parents with a forum to meet each other and to provide tangible support for the school.

The P&F contributes to the school as a Christian community and can play a significant role in the provision of pastoral support for members of the school community at times of personal and family need.

The P&F plays a primary role in 'friend raising and fundraising' whilst also providing a forum whereby educational opportunities can be provided to parents.

School Fees

School fees are essential to the operation of St Mary's and are set each year by the School Board on advice from the Catholic Education Office. If there is a problem with the payment of fees, parents are asked to contact the Principal for a confidential discussion. As of 2013 an ICT (Information Computer Technology) Levy was introduced per family.

There are various payment options available. Those families holding a Healthcare Card or a Pensioner Concession Card can apply for the Health Care Card Tuition Fees Discount Scheme. Enquiries are to be made at the school office.

Punctuality

Punctuality is important as it is sound life skill training and teaches responsibility. Students who arrive late can disrupt morning routines. If Parents are picking up or dropping off children between 9 and 3 they are required to complete the appropriate forms located in the office. Parents are asked to make sure children are picked up on time after school from either the designated area at the front of the school for pick up and drop off only, or at the back car park where vehicles can be parked or left.

A reminder, also, to Parents that if you enter the school grounds between 9 and 3 you are to come to the office first.

Sickness

If your child is ill, please keep him/her at home until he/she has recovered. If a child becomes ill during the day, parents will be contacted to take them home.

Absences

If your child is absent from school, a written explanation is required by the class teacher. There are absentee forms provided for ease of notifying the school.

Medication

The school's policy on the administering of medication has been developed with the student's wellbeing in mind in accordance with the directions from the Catholic Education Office. It is preferred that all medication is given by parents or guardians. Before requesting the school to administer medication, please obtain a policy document from the office. In the case of medication to be taken daily over a long period of time, there are specific school-wide procedures to be followed. Discussion with the Principal is required.

If there is a pre-existing medical condition the class teacher must be informed. An action plan may need to be developed by both teacher and parent.

Medical Services

Services available to the school include:

- ❖ School Psychologist
- ❖ School Nurse

Allergies

St Mary's is a nut aware school. With this in mind, children sharing food is not permitted.

School Uniform

Students in Years 1-6 attending St Mary's are expected to wear the correct school uniform. The purpose of a school uniform is to:

The Uniform Shop is open on Thursday afternoons, between 1pm-3pm via the office. Order forms are available from the school office. Payment needs to be made when orders are lodged.

Should a student be out of uniform, a note should be sent to school stating the reason why. The situation should then be rectified as soon as possible.

If a student consistently wears incorrect uniform a Uniform Slip will be sent home to remind you of the correct uniform.

No modifications will be made to the school uniform without the proposed changes being presented to the Principal who will then consult the wider community through the P&F. Only after this process is followed will changes be permitted.

Students are expected to wear their uniform in a neat and tidy manner when outside the school grounds.
