

Principal's Welcome

It is my pleasure to welcome you to St Mary's Catholic Primary School, Donnybrook. With a proud history dating back to 1916, our school continues the legacy of the Sisters of Mercy, offering a Christ-centred education that nurtures the whole child.

At St Mary's, we value each child's uniqueness and strive to create a safe, inclusive environment where students feel supported and inspired to learn. Our dedicated staff deliver high-quality education from Pre-Kindergarten to Year 6, enriched by specialist programs in The Arts (Music & Visual), STEM, Sport, and Italian.

We are proud of our close-knit, family-focused community, where relationships are built on trust, respect, and care. Our commitment to wellbeing is reflected in our participation in the RULER program, helping students develop emotional intelligence and resilience.

Guided by our core values of forgiveness, courage, respect, compassion, service, justice, excellence and determination, St Mary's aims to graduate students who are confident, capable and compassionate - who are ready to go out into the world and lead with their head, their heart, and their hands.

I invite you to visit us and discover the difference a Catholic education can make.

Warm regards,
Andrew Gammon
